EASY AS 1, 2, 3

We are live! On the 20th of each month, we post the newest BCBS claims on your Service Center and identify if you are due a **BPA Reimbursement**.

Be patient, there are two delays at BCBS.

First, they are holding IERMP claims to clear prior Egyptian Trust claims so that you have credit for carryover Deductible/Coinsurance and Out of Pocket.

Second, BCBS only releases claims once per month for the claims processed in the prior month.

These carryover credits allow us to maintain your same original max out-of-pocket. See the special report on your new service center after the 20th.

After combining your old and new claims, our team identifies if you are eligible for a **BENEFIT PAYMENT ACCOUNT (BPA) REIMBURSEMENT**.

Login after the 20th and email us for help:
